**Cattaraugus County, NY Interoperability** **Estimated Timeframe -**

- Awaiting Codeplug Information from CATT County.

**Erie County, PA Interoperability** **Estimated Timeframe -**

- Programming Keys ordered with SICG Grant funds.
- Once keys are received, Erie County will enter our Radio IDs into their radio system.

**Seneca Nation Interoperability** **Estimated Timeframe -**

- Executed MOU received from SNI on 2/13/2023. SNI working with Eagle Radio on IDs that will be requested for use on the Radio System.

**Codeplugs Updates** **Estimated Timeframe - QUARTER 2 OF 2023**

- Codeplugs approved to be rolled out to departments. We will be starting with departments that will not be receiving Erie County, PA or Cattaraugus County, NY Zones in their radios.

**Hospital Trunked Radios** **Estimated Timeframe - QUARTER 4 OF 2023**

- First step, roll out updated Codeplugs with Hospital Talkgroups, then get radios ordered and installed at hospitals.
- We will NOT be decommissioning the systems (MED1, MED 2, MED7) that are currently used to call into the hospitals, after the new talk-groups are active. So that units that are not on our trunked system, can continue to talk to the hospitals, and to allow for a gradual transition for the FDs that wish to begin utilizing the new trunked channels.

**Vehicular Repeaters (SICG Grant)** **Estimated Timeframe - QUARTER 3 OF 2023**

- **Get info to your coordinators** for what apparatus (FIRE/EMS, not chief vehicles) your department plans on having repeater installed in, type of radio is in that unit, or if you department is not interested in receiving a repeater.
- Repeaters and cables have been received by the Radio Shop.
- Repeater training to be rolled out along with Repeater project.

**CAD EPCR Export** **Estimated Timeframe - QUARTER 1 OF 2023**

- CAD TO EMSCharts export is In-progress (CCEMS is paying the one time New World setup fee of \$2400). All agencies using EMSCharts can be added to the export at no additional charge from New World. (EPCR company charges may apply).
  - o EMSCHARTS MOUs in-process for:
    - CCEMS, Lakewood, Fluvanna, and Sherman
- MOUs forms are available from me if you need them, I will email the document with the details of the MOU Process (1-2 month processing time from County Law Department)
- Fredonia Fire is looking at setting up export for HEALTHEMS.
- Dunkirk Fire is looking into ImageTrend and Emergency Reporting for NIFERS.

**Paging Coverage / Audio** **Estimated Timeframe - QUARTER 1 OF 2023**

- Small setting changes made by Motorola at several tower sites to try to reduce those overlaps areas on 01/17/2023, please advise if changes had any effect on the reported paging issues.

**RADIO Issues/Concerns** **Estimated Timeframe - COMPLETED**

- Can be accessed through the [www.Chautcofire.org](http://www.Chautcofire.org) website.
- Can be used for reporting issues with Pagers, Station Siren Receivers, Radios, etc.

**RADIO Training** **Estimated Timeframe - QUARTER 2 OF 2023**

- Continuing to work on training program for FDs and LAW enforcement.
- Plan to roll training out UPDATED program in summer 2023.

**Fire Mobile (MDTs)/Fire Records** **Estimated Timeframe - QUARTER 2 OF 2023**

- MDT demo to be set up after 1<sup>st</sup> of the year through Emergency Services.
- Some departments are requesting access to Fire Records, we are still having discussions (CCSO and OES) if this will be offered to departments. To be revisited at a later date.

**Interoperability/Communications Resources** **Estimated Timeframe - QUARTER 1 OF 2023**

- CCSO Radio Shop has resources to support Interoperable Communications.
  - o Gateway 1 – ACU-M (Briefcase) Unit for Patching Radio Audio Together.
- CACHE Radios – Deployable “Go-Kit” of Portable Radios for Incidents or Planned Events.
  - o VCACHE1 – Kit with 6 Motorola APX900 Trunked Radios (VHF)
  - o VCACHE2 – Kit with 6 Motorola APX900 Trunked Radios (VHF)
  - o Plan to build at least 4 additional “Off-Net” CACHE Radio Go-Kits.
- Briefcase Mobile Radio with Repeater – For Training, planned events, or incidents.
- More to come...
